BOARD MEETINGS

All directors are expected to commit sufficient time to carry out their responsibilities and the Chairman of the Board will be notified before a director accepts any new directorship.

Notices of meetings which set out the matters to be discussed are sent to the directors at least 14 days before the meetings. The Board and the Board committees practice active and open discussions at the meetings to ensure that opportunities are given to all Directors to participate and contribute to the decision-making process. Robust discussions and meaningful deliberations at these meetings ensure that the process of constructive and healthy dialogue is achieved.

In the intervals between the Board meetings, Board’s decisions or approvals for matters that are time-sensitive or administrative in nature will be sought via circular resolutions which are supported with relevant information and explanations and the same applies to the Board Committees. Directors’ circular resolutions are tabled to the Directors for confirmation and notation at the subsequent Board Meeting.

Corporate Governance Overview Statement

BOARD APPOINTMENT

There is a formal and transparent process for selection, nomination and appointment of suitable candidates to the Board. The Nomination Committee is responsible to review the existing composition of the Board, identifying the gaps and subsequently determining the selection criteria for the new appointment with a view to close the gap and to strengthen the Board composition.

As part of the Company's efforts to enhance the process of appointment and re-election of directors of the Group, the Board had on 26 May 2022 adopted a Directors' Fit and Proper Policy in compliance with Paragraph 15.01A of the Bursa Securities Listing Requirements and any other applicable rules and regulations. In addition to the existing Nomination Policy, it serves as a guide for the Nomination Committee and Board in assessing the suitability of candidate identified based on his/her profile, professional knowledge and experience taking into consideration the criteria set out on page 72. The new directors are also required to disclose any business and/or other interest that may result in a conflict of interest with the Company or its subsidiaries.

The Nomination Committee leverages on the directors' wide network of professional and business contacts as well as independent sources to identify candidates for the appointment of directors. Apart from that, the Nomination Committee also considers recommendations from existing Board members, the management or major shareholders.

Induction programme will be conducted for newly appointed directors to enable them to better understand the Group's business and operation, organizational structure, as well as issues and challenges facing the Group and the industry.

RE-ELECTION OF DIRECTORS

In accordance with the Company's Bye-Laws, all newly appointed directors shall retire from office but shall be eligible for re-election in the next AGM or the next general meeting after their appointment. The Company's Bye-Laws further provide that at least one-third of the remaining directors (save for the Non-executive Chairman) for the time being are required to retire by rotation at each AGM and are eligible for re-election. Further, in accordance with the HK Listing Rules, all directors (including the Non-executive Chairman) shall retire from office once in every 3 years but shall be eligible for re-election.

The Nomination Committee, following its annual evaluation of the Board's performance in February 2023, concluded that the performance of directors including the retiring directors standing for re-election namely, Mr WONG Khang Yen, Ms TIONG Yijia and Mr IP Koon Wing, Ernest, have met and/or exceeded the Board's expectations and acted in the best interests of the Company as a whole. The Nomination Committee and the Board would like to recommend to the shareholders the re-election of the retiring directors at the forthcoming 33rd AGM.

TERMS OF APPOINTMENT OF NON-EXECUTIVE DIRECTORS

The Company had entered into appointment letters with the INEDs namely, Datuk CHONG Kee Yuon and Mr KHOO Kar Khoon for a term of two years from 1 April 2022 to 31 March 2024; Mr IP Koon Wing, Ernest for a term from 1 April 2023 to 31 March 2025; and the NED namely, Ms TIONG Choon, for a period from 1 December 2022 to 31 March 2024, subject to retirement and re-election by rotation at the AGM in accordance with the Bye-Laws of the Company.

BOARD INDEPENDENCE

The Company measures the independence of its directors based on the criteria of independence as prescribed by the HK Listing Rules and the Bursa Securities Listing Requirements. Prior to accepting any new director on the Board, each new INED is required to declare his/her interests and relationship to the Board through the confirmation of independence, which information will form the basis for the Board's consideration of accepting the INED to the Board.

Corporate Governance Overview Statement

The Board through the Nomination Committee also reviews the independence of the directors annually and each INED is required to perform a self-evaluation to affirm their independence from management. The Board and the Nomination Committee have, upon their annual assessment, concluded that each INED continues to demonstrate conduct and behaviour that are essential indicators of independence and acts in the best interest of the Company. These were based on the grounds that they have consistently challenged management in an effective and constructive manner besides actively participating in Board discussions and providing an independent voice to the Board.

In supporting Practice 5.3 of the Malaysian Code, none of the INED of the Company has served for a cumulative term of more than 9 years.

BOARD EFFECTIVENESS

The Board, through the Nomination Committee, undertakes an annual evaluation to determine the effectiveness of the Board as a whole, the Board committees and the contributions of each director of the Company based on a set of pre-determined criteria, as well as reference to the Corporate Governance Guide issued by Bursa Securities. During the year, the annual evaluation process was internally facilitated and conducted through questionnaires circulated to each director covering areas such as board mix and composition, quality of information and decision-making, board diversity, board relationship with management, boardroom activities, sustainability considerations, contribution and performance which directors should bring to the Board, etc. They reviewed their performance, the effectiveness of the Board, the Board committees and the contributions of each director, the independence of the INEDs and the Board's mix and skillset. All INEDs had also submitted the annual confirmation of independence and confirmed their compliance with the independence criteria.

A summary report on the outcome and findings of the questionnaires, together with the potential areas of improvement in boardroom activities, were tabled to the Nomination Committee for deliberation. Overall, the evaluation results for the financial year under review demonstrated that the Board had met the performance criteria required for an effective and committed Board. The Nomination Committee recommended the appropriate action on further performance improvements to the Board for review and discussion on 27 February 2023. The Board is satisfied that (i) the Board and the Board committee's composition have fulfilled the criteria required, and possess the right blend of knowledge, experience and mix of skills; and (ii) the overall performance of the Board, Board committees and individual directors had been effective in discharging their functions and duties. The findings of the evaluation for individual directors will be used as a basis for determining the re-election of directors at the 33rd Annual General Meeting in August 2023.

DIRECTORS' TRAINING

The Board recognises the importance of continuous training for directors and encourages all directors to attend appropriate programmes, courses and seminars to stay abreast on the relevant business development and industry outlook. The Joint Company Secretaries facilitate the arrangement of internal and external training, and circulate regular updates on training programmes from various organisations to the directors for their consideration for participation.

The chairman of the meeting will declare the results of the voting on each resolution.

Having regard to the well-being and safety of the attendees to the AGM and as part of the Company's precautionary measures, the 32nd AGM of the Company was conducted on a virtual basis in Malaysia through live streaming and online remote voting via Remote Participation and Voting (RPV) facilities provided by Tricor Investor & Issuing House Services Sdn Bhd (“Tricor”), with a physical meeting venue in Hong Kong on 19 August 2022. Implications of the Company's Dual Primary Listings Status on the Investors

The Company is dual-listed on the Main Board of the HK Stock Exchange and the Main Market of Bursa Securities. As a result, shareholders of the Company are entitled to trade the Company's shares on both the HK Stock Exchange and Bursa Securities. Shareholders need to comply with the relevant procedures for trading and transfer of shares between the two securities exchanges, including:

(i) **Trading of the Company's shares**

If a shareholder chooses to trade his/her shares in the Company on Bursa Securities, there is a stamp duty of RM1 for RM1,000 or fractional part of the value of securities (payable by both buyer and seller) chargeable on the transaction and the maximum stamp duty to be paid is RM200. For the trading in Hong Kong, stamp duty on the sale or purchase of the Company's shares is charged at a rate of 0.1% of the amount of the consideration or of its value on every sold note and each bought note together with a transfer deed stamp duty of HK\$5. The applicable brokerage and clearing fees would also be payable by the seller and the buyer.

(ii) **Transfer of shares from Bursa Securities to the HK Stock Exchange and vice versa**

If a shareholder whose shares are deposited in Bursa Malaysia Depository Sdn Bhd (i.e. the central depository of the Bursa Securities) ("Bursa Depository") wishes to withdraw his/her shares from Bursa Depository and deposit them into the Hong Kong securities system for trading in Hong Kong, the share transfer form will be subject to Malaysian stamp duty. The stamp duty payable on such share transfer form is a nominal sum of RM10 on the basis that no beneficial interest passes in such transfer as the transfer is made by a bare trustee (i.e. Bursa Depository) to a beneficiary (i.e. the investor).

For the share transmission between the Hong Kong branch share register and the Malaysian branch share register, a shareholder has to pay administrative fees for registration and issuance of new share certificates to the relevant share registrars.

If the directors do not within 21 days from the date of the deposit of the written requisition proceed duly to convene a SGM, the requisitionists, or any of them representing more than one-half of the total voting rights of all of them, may themselves convene a SGM, but any SGM so convened shall not be held after the expiration of 3 months from the date of deposit of the written requisition.
