**PROFIT WARNING**

This announcement is made by Media Chinese International Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of Laws of Hong Kong).

The Board of Directors (the “Board”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on the information currently available which is subject to further review, the Group is expecting to record a loss attributable to the owners of the Company in the range of approximately US\$5.6 million to US\$6.2 million for the first quarter ended 30 June 2020 as compared with a profit of US\$2,264,000 in the prior year quarter. The expected loss was mainly attributable to (i) a significant decline in the Group’s revenue from its travel business due to the coronavirus outbreak and the ensuing global lockdown and strict measures to contain the virus; and (ii) the business disruptions brought about by the global pandemic having adverse impacts on the markets’ advertising spending, leading to a significant decline in the Group’s advertising revenue.

Such information has neither been reviewed or audited by the Company’s auditor or reviewed by the audit committee of the Company, and may be subject to further adjustments. Detailed financial information and performance of the Group will be disclosed in the Company’s unaudited consolidated financial results announcement for the first quarter ended 30 June 2020, which is expected to be published in August 2020.
