How rights of shares may be modified

5. (A) For the purposes of Section 47 of the Companies Act, if at any time the capital is divided into different classes of shares, all or any of the special rights attached to any class (unless otherwise provided for by the terms of issue of the shares of that class) may, subject to the provisions of the Companies Act, be varied or abrogated either with the consent in writing of the holders of not less than three-fourths in nominal value of the issued shares of that class or with the sanction of a Special Resolution passed at a separate general meeting of the holders of the shares of that class. To every such separate general meeting the provisions of these Bye-Laws relating to general meetings shall mutatis mutandis apply, but so that the necessary quorum shall be not less than two persons holding or representing by proxy one-third in nominal value of the issued shares of that class, and that any holder of shares of the class present in person or by proxy may demand a poll.

(B) The provisions of this Bye-Law shall apply to the variation or abrogation of the special rights attached to some only of the shares of any class as if each group of shares of the class differently treated formed a separate class the rights whereof are to be varied.

(C) The special rights conferred upon the holders of any shares or class of shares shall not, unless otherwise expressly provided in the rights attaching to or the terms of issue of such shares, be deemed to be altered by the creation or issue of further shares ranking *pari passu* therewith.

SHARES AND INCREASE OF CAPITAL

6. * (A) The authorised share capital of the Company at the date on which these Bye-Laws come into effect is HK\$250,000,000 divided into 2,500,000,000 shares of HK\$0.10 each.

Structure of Share Capital

(B) Subject to the Statutes, the power contained in the Memorandum of Association for the Company to purchase or otherwise acquire its shares shall be exercisable by the Board upon such terms and subject to such conditions as it thinks fit.

Company to purchase or finance purchase of own shares

(C) Subject to the Statutes:—

- (i) the Company may in accordance with any scheme for the time being in force and approved by the members in general meeting provide directly or indirectly money or other financial assistance for the purpose of or in connection with the purchase of, or subscription for, fully or partly paid shares in the Company or any holding company of the Company, being a purchase or subscription for shares by a trustee of or to be held by or for the benefit of employees of the Company, any of its subsidiaries, any holding company of the Company or any subsidiary of any such holding company, in each such case whether incorporated in Bermuda or elsewhere and whether or not a wholly-owned subsidiary of the Company including any director holding a salaried employment or office with or in any such company and so that the residual beneficiary of any such trust may be or include a charitable object; and
- (ii) the Company may give financial assistance on such terms as the Directors think fit to directors and bona fide employees of the Company, any of its subsidiaries, any holding company of the Company and/or any subsidiary of any such holding company, in each such case whether incorporated in Bermuda or elsewhere and whether or not a wholly-owned subsidiary of the Company in order that they may buy shares (fully or partly paid) in the Company or any holding company of the Company and such terms may include a reference that, when a director ceases to be a director of, or an employee ceases to be employed by, the Company or such other company, shares bought with such financial assistance shall or may be sold to the Company or such other company on such terms as the Directors think fit.

7. The Company in general meeting may from time to time, whether or not all the shares for the time being authorised shall have been issued and whether or not all the shares for the time being issued shall have been fully paid up, by Ordinary Resolution increase its share capital by the creation of new shares, such new capital to be of such amount and to be divided into shares of such class or classes and of such amounts in Hong Kong Dollars or United States Dollars or such other currency as the members may think fit and as the resolution shall prescribe.

Power to increase capital

8. Any new shares shall be issued upon such terms and conditions and with such rights and privileges annexed thereto as the general meeting resolving upon the creation thereof shall direct, and if no direction be given, subject to the provisions of the Statutes and of these Bye-Laws, as the Board shall determine; and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of assets of the Company and with a special or without any right of voting.

On what conditions new shares may be issued

**Please refer to the notes on alteration in the authorised share capital of the Company set out on page 2 of the Memorandum of Association.*

9. Subject to any direction to the contrary that may be given by the Company in general meetings, all new shares or other convertible securities shall, before issue, be offered to such persons as at the date of the offer are entitled to receive notices from the Company of general meetings in proportion as nearly as the circumstances admit, to the number of the existing shares or securities to which they are entitled. The offer shall be made by notice specifying the number of shares or securities offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares or securities offered, the Directors may dispose of those shares or securities in such manner as they think most beneficial to the Company. The Directors may likewise also dispose of any new shares or securities which (by reason of the ratio which the new shares or securities bear to shares or securities held by persons entitled to an offer of new shares or securities) cannot, in the opinion of the Directors, be conveniently offered under this Bye-Law.

New shares to form part of the original capital

10. Except so far as otherwise provided by the conditions of issue or by these Bye-Laws, any capital raised by the creation of new shares shall be treated as if it formed part of the original capital of the Company and such shares shall be subject to the provisions contained in these Bye-Laws with reference to the payment of calls and instalments, transfer and transmission, forfeiture, lien, cancellation, surrender, voting and otherwise.

Shares at the disposal of the Board

11. All unissued shares shall be at the disposal of the Board and it may offer, allot (with or without conferring a right of renunciation), grant options over or otherwise dispose of them to such persons, at such times, for such consideration and generally on such terms as it in its absolute discretion thinks fit, but so that no shares shall be issued at a discount. The Directors shall, as regards any offer or allotment of shares, comply with the provisions of the Companies Act, if and so far as such provisions may be applicable thereto. Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of shares, to make, or make available, any such offer, option or shares to shareholders or others with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable. Shareholders affected as a result of the foregoing sentence shall not be, or be deemed to be, a separate class of shareholders for any purpose whatsoever.

Company may pay commission

12. The Company may at any time pay a commission to any person for subscribing or agreeing to subscribe (whether absolutely or conditionally) for any shares in the Company or procuring or agreeing to procure subscriptions (whether absolute or conditional) for any shares in the Company, but so that the conditions and requirements of the Companies Act shall be observed and complied with, and in each case the commission shall not exceed ten per cent. of the price at which the shares are issued.

Company not to recognise trusts in respect of shares

13. Except as otherwise expressly provided by these Bye-Laws or as required by law or as ordered by a court of competent jurisdiction, no person shall be recognised by the Company as holding any share upon any trust and, except as aforesaid, the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or any other right or claim to or in respect of any shares except an absolute right to the entirety thereof of the registered holder.

19. If a share certificate is defaced, lost or destroyed, it may be replaced on payment of such fee, if any, (not exceeding, in the case of any share capital listed on a stock exchange in Hong Kong, HK\$2.50 or such other sum as may from time to time be permitted under the rules, regulations or codes prescribed by the stock exchange in the Relevant Territory, and, in the case of any other capital, such sum in such currency as the Board may from time to time determine to be reasonable in the territory in which the relevant register is situate, or otherwise such other sum as the Company may by Ordinary Resolution determine) as the Board shall from time to time determine and on such terms and conditions, if any, as to publication of notices, evidence and indemnity as the Board thinks fit and in the case of wearing out or defacement, after delivery up of the old certificate. In the case of destruction or loss, the person to whom such replacement certificate is given shall also bear and pay to the Company any exceptional costs and the reasonable out-of-pocket expenses incidental to the investigation by the Company of the evidence of such destruction or loss and of such indemnity.

LIEN

Company's lien

20. The Company shall have a first and paramount lien on every share (not being a fully paid up share) for all moneys, whether presently payable or not, called or payable at a fixed time in respect of such share; and the Company shall also have a first and paramount lien and charge on all shares (other than fully paid up shares) standing registered in the name of a member, whether singly or jointly with any other person or persons, for all the debts and liabilities of such members or his estate to the Company and whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such member, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such member or his estate and any other person, whether a member of the Company or not. The Company's lien (if any) on a share shall extend to all dividends and bonuses declared in respect thereof. The Board may at any time either generally or in any particular case waive any lien that has arisen, or declare any share to be exempt wholly or partially from the provisions of this Bye-Law.

Company's lien
on shares and
dividends

20A. Notwithstanding the aforesaid the Company's lien on shares and dividends from time to time declared in respect of such shares, shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such moneys are due and unpaid, if the shares were acquired under an employee share option scheme, amounts which are owed to the Company for acquiring them; and to such amounts as the Company may be called upon by law to pay and has paid in respect of the shares of the member or deceased member.

Sale of shares
subject to lien

21. The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged, nor until the expiration of fourteen days after a notice in writing, stating and demanding payment of the sum presently payable or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of intention to sell in default, shall have been given to the registered holder for the time being of the shares or the person entitled by reason of such holder's death, bankruptcy or winding-up to the shares.

22. The net proceeds of such sale after the payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debt or liability or engagement in respect whereof the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liability not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the time of the sale. For giving effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof and may enter the purchaser's name in the register as holder of the shares, and the purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

Application of proceeds of such sale

23. The Board may from time to time make such calls as it may think fit upon the members in respect of any moneys unpaid on the shares held by them respectively (whether on account of the nominal value of shares or by way of premiums) and not by the conditions of allotment thereof made payable at fixed time. A call may be made payable either in one sum or by instalments.

Calls instalments

24. Fourteen days' notice at least of any call shall be given specifying the time and place of payment and to whom such call shall be paid.

Notice of call

25. A copy of the notice referred to in Bye-Law 24 shall be sent to members in the manner in which notices may be sent to members by the Company as herein provided.

Copy of notice to be sent to members

26. In addition to the giving of notice in accordance with Bye-Law 25, notice of the person appointed to receive payment of every call and of the times and places appointed for payment may be given to the members by notice to be inserted in the Newspapers or by any means and in such manner as may be accepted by the Designated Stock Exchange.

Notice of call may be given

27. Every member upon whom a call is made shall pay the amount of every call so made on him to the person and at the time or times and place or places as the Board shall appoint.

Every member liable to pay call at appointed time and place

28. A call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed.

When call deemed to have been made

29. The joint holders of a share shall be severally as well as jointly liable for the payment of all calls and instalments due in respect of such share or other moneys due in respect thereof.

Liability of joint holders

30. The Board may from time to time at its discretion extend the time fixed for any call, and may extend such time as regards all or any of the members, whom due to residence outside the Relevant Territory or other cause the Board may deem entitled to any such extension but no member shall be entitled to any such extension except as a matter of grace and favour.

Board may extend time fixed for call

31. If the sum payable in respect of any call or instalment is not paid on or before the day appointed for payment thereof, the person or persons from whom the sum is due shall pay interest on the same at such rate not exceeding twenty per cent. per annum as the Board shall fix from the day appointed for the payment thereof to the time of the actual payment, but the Board may waive payment of such interest wholly or in part.

Interest on unpaid calls

32. No member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another member) at any general meeting, either personally, or (save as proxy for another member) by proxy, or be reckoned in a quorum, or to exercise any other privilege as a member until all calls or instalments due from him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.

Sums payable on allotment deemed a call

Shares may be issued subject to different conditions as to calls, etc.

34. Any sum which by the terms of allotment of a share is made payable upon allotment or at any fixed date, whether on account of the nominal value of the share and/or by way of premium, shall for all purposes of these Bye-Laws be deemed to be a call duly made, notified, and payable on the date fixed for payment, and in case of non-payment all the relevant provisions of these Bye-Laws as to payment of interest and expenses, forfeiture and the like, shall apply as if such sums had become payable by virtue of a call duly made and notified. The Board may on the issue of shares differentiate between the allottees or holders as to the amount of calls to be paid and the time of payment.

Payment of calls in advance

35. The Board may, if it thinks fit, receive from any member willing to advance the same, and either in money or money's worth, all or any part of the money uncalled and unpaid or instalments payable upon any shares held by him, and upon all or any of the moneys so advanced the Company may pay interest at such rate (if any) not exceeding twenty per cent per annum as the Board may decide but a payment in advance of a call shall not whilst carrying interest, confer a right to participate in profits and shall not entitle the member to receive any dividend or to exercise any other rights or privileges as a member in respect of the share or the due portion of the shares upon which payment has been advanced by such member before it is called up. The Board may at any time repay the amount so advanced upon giving to such member not less than one month's notice in writing of their intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced.

37. The instrument of transfer of any share shall be executed by or on behalf of the transferor and by or on behalf of the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case in which it thinks fit, in its absolute discretion, to do so. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the register in respect thereof. Nothing in these Bye-Laws shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

Execution of transfer

38. (A) The Board may, in its absolute discretion, at any time and from time to time transfer any share upon the Principal Register to any branch register or any share on any branch register to the Principal Register or any other branch register.

A person becoming entitled to a share by reason of the death, bankruptcy or winding-up of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Bye-Law 77 being met, such a person may vote at meetings.

Retention of dividends, etc. until transfer or transmission of shares of a deceased or bankrupt member

FORFEITURE OF SHARES

49. If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, without prejudice to the provisions of Bye-Law 32, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and which may still accrue up to the date of actual payment.

If call or instalment not paid notice may be given

50. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which the payment required by the notice is to be made, and it shall also name the place where payment is to be made such place being either the Registered Office of the Company or such other place at which calls of the Company are usually made. 98. (A) A Director may hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of Director for such period and upon such terms as the Board may determine, and may be paid such extra remuneration therefor (whether by way of salary, commission, participation in profits or otherwise) as the Board may determine, and such extra remuneration shall be in addition to any remuneration provided for, by or pursuant to any other Bye-Law.

(B) A Director may act by himself or his firm in a professional capacity for the Company (otherwise than as Auditor) and he or his firm shall be entitled to remuneration for professional services as if he were not a Director.

(C) A Director of the Company may be or become a director or other officer of, or otherwise interested in, any company promoted by the Company or any other company in which the Company may be interested, and shall not be liable to account to the Company or the members for any remuneration, profit or other benefit received by him as a director or officer of or from his interest in such other company. The Board may also cause the voting power conferred by the shares in any other company held or owned by the Company to be exercised in such manner in all respects as it thinks fit, including the exercise thereof in favour of any resolution appointing the Directors or any of them to be directors or officers of such other company, or voting or providing for the payment of remuneration to the directors or officers of such other company.

(D) A Director shall not vote or be counted in the quorum on any resolution of the Board concerning his own appointment as the holder of any office or place of profit with the Company or any other company in which the Company is interested (including the arrangement or variation of the terms thereof, or the termination thereof).

(E) Where arrangements are under consideration concerning the appointment (including the arrangement or variation of the terms thereof, or the termination thereof) of two or more Directors to offices or places of profit with the Company or any other company in which the Company is interested, a separate resolution may be put in relation to each Director and in such case each of the Directors concerned shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment (or the arrangement or variation of the terms thereof, or the termination thereof) and except (in the case of an office or place of profit with any such other company as aforesaid) where the other company is a company in which the Director together with any of his associates own 5 per cent. or more.

(F) Subject to the Companies Act and to the next paragraph of this Bye-Law, no

Director or proposed or intended Director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatever, nor shall any such contract or any other contract or arrangement in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company or the members for any remuneration, profit or other benefits realised by any such contract or arrangement by reason of such Director holding that office or the fiduciary relationship thereby established.

(G) A Director who to his knowledge is in any way, whether directly or indirectly, interested in a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Board at which the question of entering into the contract or arrangement is first taken into consideration, if he knows his interest then exists, or in any other case at the first meeting of the Board after he knows that he is or has become so interested. For the purposes of this Bye-Law, a general notice to the Board by a Director to the effect that (a) he is a member of a specified company or firm and is to be regarded as interested in any contract or arrangement which may after the date of the notice be made with that company or firm or (b) he is to be regarded as interested in any contract or arrangement which may after the date of the notice be made with a specified person who is connected with him, shall be deemed to be a sufficient declaration of interest under this Bye-Law in relation to any such contract or arrangement; provided that no such notice shall be effective unless either it is given at a meeting of the Board or the Director takes reasonable steps to secure that it is brought up and read at the next Board meeting after it is given.

(H) A Director shall not vote on any Board resolution approving any contract or proposed contract or arrangement or any other proposal in which he is, directly or indirectly, interested or any of his associate(s) has a material interest nor shall he be counted in the quorum present at the meeting, but this prohibition shall not apply to any of the following matters:—

- (i) the giving of any security or indemnity either:—
 - (a) to the Director or his associate(s) in respect of money lent or obligations incurred or undertaken by him or any of them at the request of or for the benefit of the Company or any of its subsidiaries; or
 - (b) to a third party in respect of a debt or obligation of the Company or any of its subsidiaries for which the Director or his associate(s) has himself/themselves assumed responsibility in whole or in part and whether alone or jointly under a guarantee or indemnity or by the giving of security;
- (ii) any proposal concerning an offer of shares or debentures or other securities of or by the Company or any other company which the Company may promote or be interested in for subscription or purchase where the Director or his associate(s) is/are or is/are to be interested as a participant in the underwriting or sub-underwriting of the offer;
- (iii) any proposal concerning any other company in which the Director's associate(s) is/are interested only, whether directly or indirectly, as an officer or executive or shareholder or in which the Director's associate(s) is/are beneficially interested in shares of that company, provided that the Director's associate(s) is/are not in aggregate beneficially interested in 5% or more of the issued shares of any class of such company (or of any third company through which the interest of his associate(s) is derived) or of the voting rights;
- (iv) any proposal or arrangement concerning the benefit of employees of the Company or its subsidiaries including:—
 - (a) the adoption, modification or operation of any employees' share scheme or

any share incentive or share option scheme under which the Director or his associate(s) may benefit; or

(b) the adoption, modification or operation of a pension fund or retirement, death or disability benefit scheme which relates both to the Directors, his associate(s) and employees of the Company or any of its subsidiaries and does not provide in respect of any Director or his associate(s) as such any privilege or advantage not generally accorded to the class of persons to whom such scheme or fund relates; and

(v) any contract or arrangement in which the Director or his associate(s) is/are interested in the same manner as other holders of shares or debentures or other securities of the Company by virtue only of his/their interest in shares or debentures or other securities of the Company.

(I) A company shall be deemed to be a company in which a Director and/or his associate(s) own 5% or more if and so long as (but only if and so long as) he and/or his associate(s) is/are (either directly or indirectly) the holder(s) of or beneficially interested in 5% or more of any class of the equity share capital of such company (or of any third company through which his interest or that of his associate(s) is derived) or of the voting rights available to members of such company. For the purpose of this paragraph there shall be disregarded any shares held by a Director or his associate(s) as bare or custodian trustee and in which he or his associate(s) has/have no beneficial interest, any shares comprised in a trust in which the Director's or his associates' interest is in reversion or remainder if and so long as some other person is entitled to receive the income thereof, and any shares comprised in an authorised unit trust scheme in which the Director or his associate(s) is/are interested only as a unit holder.

(J) Where a company in which a Director and/or his associate(s) hold 5% or more is materially interested in a transaction, then that Director and/or his associate(s) shall also be deemed materially interested in such transaction.

(K) If any question shall arise at any meeting of the Board as to the materiality of the interest of a Director and/or his associate(s) (other than the Chairman of the meeting) or as to the entitlement of any Director (other than such Chairman) to vote or be counted in the quorum and such question is not resolved by his voluntarily agreeing to abstain from voting or not be counted in the quorum, such question shall be referred to the Chairman of the meeting and his ruling in relation to such Director shall be final and conclusive except in a case where the nature or extent of the interest of the Director and/or his associate(s) concerned as known to such Director has not been fairly disclosed to the Board. If any question as aforesaid shall arise in respect of the Chairman of the meeting and/or his associates such question shall be decided by a resolution of the Board (for which purpose such Chairman shall not be counted in the quorum and shall not vote thereon) and such resolution shall be final and conclusive except in a case where the nature or extent of the interest of such Chairman and/or his associate(s) as known to such Chairman has not been fairly disclosed to the Board.

(A) The Company in general meeting may, upon the recommendation of the Board, resolve to capitalise any part of the Company's reserves (including any contributed surplus account and Power to also including any share premium account or other undistributable reserve, but subject to the capitalise provisions of the law with regard to unrealised profits) or undivided profits not required for the payment or provision of the dividend on any shares with a preferential right to dividend, and accordingly that such part be sub-divided amongst the members who would have been entitled thereto if distributed by way of dividend and in the same proportions, on condition that the same be not paid in cash but be applied either in or towards paying up any amounts for the time being unpaid on any shares held by such members respectively or paying up in full unissued shares or debentures or other securities of the Company to be allotted and distributed

Power to capitalise

credited as fully paid to and amongst such members in the proportion aforesaid, or partly in one way and partly in the other; provided that for the purpose of this Bye-Law, any amount standing to the credit of share premium account may only be applied in the paying up of unissued shares to be issued to members of the Company as fully paid up shares.

Effect of resolution to capitalise

(B) Whenever such a resolution as aforesaid shall have been passed the Board shall make all appropriations and applications of the reserves or profits and undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares, debentures, or other securities and generally shall do all acts and things required to give effect thereto. For the purpose of giving effect to any resolution under this Bye-Law, the Board may settle any difficulty which may arise in regard to a capitalisation issue as it thinks fit, and in particular may disregard fractional entitlements or round the same up or down and may determine that cash payments shall be made to any members in lieu of fractional entitlements or that fractions of such value as the Board may determine may be disregarded in order to adjust the rights of all parties or that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the members concerned. The Board may appoint any person to sign on behalf of the persons entitled to share in a capitalisation issue a contract for allotment and such appointment shall be effective and binding upon all concerned, and the contract may provide for the acceptance by such persons of the shares, debentures or other securities to be allotted and distributed to them respectively in satisfaction of their claims in respect of the sum so capitalised.

DIVIDENDS AND RESERVES

Power to declare dividends

141. The Company in general meeting may declare dividends in any currency but no dividends shall exceed the amount recommended by the Board.

Board's power to pay interim dividends

142. (A) The Board may subject to Bye-Law 143 from time to time pay to the members such interim dividends as appear to the Board to be justified by the position of the Company and, in particular (but without prejudice to the generality of the foregoing), if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights.

(B) The Board may also pay half-yearly or at other suitable intervals to be settled by it any dividend which may be payable at a fixed rate if the Board is of the opinion that the profits justify the payment.

Dividend not to be paid out of capital

143. (A) No dividend shall be paid otherwise than out of profits available for distribution (such profits being ascertained in accordance with the Companies Act). Distributions may be made out of contributed surplus.

(B) Subject to the provisions of the Companies Act (but without prejudice to paragraph (A) of this Bye-Law), where any asset, business or property is bought by the Company as from a past date (whether such date be before or after the incorporation of the Company) the profits and losses thereof as from such date may at the discretion of the Directors in whole or in part be carried to revenue account and treated for all purposes as profits or losses of the Company, and be available for dividend accordingly. Subject as aforesaid, if any shares or securities are purchased cum dividend or interest, such dividend or interest may at the discretion of the Board be treated as revenue, and it shall not be obligatory to capitalise the same or any part thereof.

(C) Subject to Bye-Law 143 (D) all dividends and other distributions in respect of shares in the Company shall be stated and discharged, in the case of shares denominated in Hong Kong dollars, in Hong Kong dollars, and in the case of shares denominated in United States

dollars, in United States dollars, provided that, in the case of shares denominated in Hong Kong dollars, the Board may determine in the case of any distribution that shareholders may elect to receive the same in United States dollars or any other currency selected by the Board, conversion to be effected at such rate of exchange as the Board may determine.

(D) If, in the opinion of the Board, any dividend or other distribution in respect of shares or any other payment to be made by the Company to any shareholder is of such a small amount as to make payment to that shareholder in the relevant currency impracticable or unduly expensive either for the Company or the shareholder then such dividend or other distribution or other payment may, at the discretion of the Board, be paid or made in the currency of the country of the relevant shareholder (as indicated by the address of such shareholder on the register).

144. Notice of the declaration of an interim dividend shall be given by advertisement in the Relevant Territory and in such other territory or territories as the Board may determine and in such manner as the Board shall determine.

145. No dividend or other moneys payable on or in respect of a share shall bear interest as against the Company.

146. Whenever the Board or the Company in general meeting have resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, with or without offering any rights to shareholders to elect to receive such dividend in cash, and where any difficulty arises in regard to the distribution the Board may settle the same as they think expedient, and in particular may disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties and may determine that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the members concerned, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend and such appointment shall be effective. Where requisite, the Board may appoint any person to sign a contract on behalf of the persons entitled to the dividend and such appointment shall be effective. The Board may resolve that no such assets shall be made available or made to shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the shareholders aforesaid shall be to receive cash payments as aforesaid. Shareholders affected as a result of the foregoing sentence shall not be or be deemed to be, a separate class of shareholders for any purpose whatsoever.

Dividend in specie

147. (A) Whenever the Board or the Company in general meeting have resolved that a dividend be paid or declared on the share capital of the Company, the Board may further resolve:—

Script dividends

either

- (i) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up on the basis that the shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the shareholders entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:—
 - (a) the basis of any such allotment shall be determined by the Board;
 - (b) the Board, after determining the basis of allotment, shall give not less than

two weeks' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

- (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
- (d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis.

or

(ii) that shareholders entitled to such dividend will be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Directors may think fit on the basis that the shares so allotted shall be of the same class or classes as the class or classes of shares already held by the allottee. In such case, the following provisions shall apply:—

- (a) the basis of any such allotment shall be determined by the Board;
- (b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
- (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full

the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

(B) The shares allotted pursuant to the provisions of paragraph (A) of this Bye-Law shall rank pari passu in all respects with the shares then in issue save only as regards participation:-

- (i) in the relevant dividend (or the right to receive or to elect to receive an allotment of shares in lieu thereof as aforesaid); or
- (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend

unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (A) of this Bye-Law in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (A) of this Bye-Law shall rank for participation in such distribution, bonus or rights.

(C) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (A) of this Bye-Law with full power to the Board to make such provisions as they think fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the members concerned). The Board may authorise any person to enter into on behalf of all members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

(D) The Company may upon the recommendation of the Board by Special Resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (A) of this Bye-Law a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

(E) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (A) of this Bye-Law shall not be made available or made to any shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.

148. The Board may, before recommending any dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (other than shares of the Company) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute by way of dividend.

SUBSCRIPTION RIGHT RESERVE

185. The following provisions, or any of them, shall have effect at any time and from time to time that they are not prohibited by or inconsistent with any provision of the Statutes:–

Subscription
Right Reserve

(A) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:–

- (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Bye-Law) maintain in accordance with the provisions of this Bye-Law a reserve (the "Subscription Right Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full such difference in respect of such additional shares as and when the same are allotted;
- (ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account and the capital redemption reserve fund) have been used and will only be used to make good losses of the Company if and so far as is required by law;
- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:–
 - (aa) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (bb) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions

of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par,

and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

(iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, contributed surplus account, share premium account and capital redemption reserve fund) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

(B) Shares allotted pursuant to the provisions of this Bye-Law shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (A) of this Bye-Law, no fraction of any share shall be allotted on exercise of the subscription rights.

(C) The provisions of this Bye-Law as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Bye-Law without the sanction of a special resolution of such warrant holders or class of warrant holders.

(D) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve have been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.
